

The background of the poster is a photograph of the SciencesPo building and its courtyard. The building is a modern structure with large glass windows, and the name 'SciencesPo' is visible on one of the windows. The courtyard in the foreground features a series of wide, light-colored stone steps leading up to the building, interspersed with green grass and small trees. The sky is blue with some light clouds.

# SciencesPo

**30th Sept., 5th & 6th Oct.**

# **CAREER FAIR**

## **RATES AND TERMS OF PARTICIPATION**

**1 pl. Saint-Thomas d'Aquin (Paris 7)  
& online on Seekube**

**Aux racines  
de l'avenir**

1872 - 2022

**For its 150th anniversary, Sciences Po will be opening the doors of its new campus located in the heart of the Saint-Germain des Près neighborhood.**

On Friday September 30th, meet and recruit our talented pool of students in their daily environment. We are pleased to offer participants a customizable booth located in one of the many different areas of the venue (cloister, aisles, classrooms and conference rooms, private lounges, cafeteria...). Thanks to this location, participants benefit from a high visibility with our students and stakeholders such as our teachers, professors/researchers, career services, Alumni, corporate relations & partners....

On October 5 & 6, extend the experience on Seekube and meet even more students and graduates throughout France and the world.

## On Seekube

<b>Unlimited staff members accounts</b>	<b>500 €</b>
<b>Unlimited lives</b>	<b>500 €</b>

## At Sciences Po

<b>Additional Meal tray</b>	<b>38 €</b>
-----------------------------	-------------

## PRACTICAL INFORMATION

- **For security and logistical reasons, only authorized personnel will be granted access to the venue. The installation of your customizable booth will be carried out by our general installer ActionD** - no external service provider will be able to access the site for the assembly of your booth.
- **The layout and booth allocation will be handled by Sciences Po.** We will be organizing booths by sectors of industry and using all the spaces of the new Sciences Po site 1 Saint-Thomas available to us: classrooms, outdoor:cloister, cafeteria, meeting rooms, conferences rooms...
- **Each booth will be equipped with the following items: partitions, tables, chairs, signage.** The furniture we will be providing you is the Sciences Po furniture available in the various spaces we will be using meaning that we cannot therefore guarantee that it will be identical from one booth to another.
- **Takeaway lunch boxes (vegetarian, meat or fish)** will be available and can be consumed at your booth or in the various campus spaces which are accessible to visitors.
