

The background image shows a busy careers fair. In the foreground, a woman with her hair in a ponytail is talking to a man wearing glasses and a white shirt. They are both wearing red lanyards. In the background, other people are visible at various booths, some looking at documents on a table. The setting appears to be a large, well-lit indoor space with metal frames for the booths.

# PRACTICAL INFORMATION

- **Pour des raisons de sécurité et de logistique en plein cœur du Campus, l'installation de votre stand personnalisable est effectuée par notre installateur général et unique - aucun prestataire externe ne peut accéder au site pour le montage de vos stands.** Seuls les livreurs pourront accéder au forum pour déposer et installer vos stands parapluie, kakémonos...
- **L'implantation et la répartition des stands est organisée par nos soins, par secteurs d'activité** dans l'ensemble des espaces du campus : salles de cours, cloître extérieur, cafétéria, salles de réunions et conférences, salons scientifiques...
- **Chaque stand bénéficie des dotations suivantes: cloisons, tables, chaises, enseigne.** Le mobilier mis à disposition sur votre stand est celui de Sciences Po.
- **Les déjeuners type Lunch box/plateaux repas (végétarien, viande ou poisson)** sont à emporter et peuvent être consommés sur votre stand ou dans les différents espaces du campus ouverts à toutes nos communautés.

# PRACTICAL INFORMATION

- For security and logistical reasons inside the campus, **the installation of your booth is carried out by our general and unique installer - no external service provider can access the site to set up your booth.** Only delivery personnel will be allowed to access to the fair to drop off and set up your pop-up booth, banners...
- **We define the positioning of the booths** for the fair. The layout is made by sectors of activity in all areas of the campus: classrooms, outdoor cloister, cafeteria, meeting and conference rooms, scientific halls...
- **Each booth is equipped** with the following items: tables, chairs, signage. Your booth is furnished with Sciences Po's furnitures.
- The **lunchboxes (vegetarian, meat, or fish), are to be taken away** and can be consumed at your booth or in the various areas of the campus open to all our communities.
