In order to ensure that employers can continue to recruit our students, without exposing anyone to unnecessary risk in the current unprecedented circumstances, the annual Sciences Po Careers Fair will take place online. The Fair will be held on the platform Seekube from October 13 to 15, 2021.

Over the course of these three days, you will have the chance to meet with numerous Sciences Po students and graduates. All will be actively seeking internships (whether as a mandatory part of their master's course or for an optional year out of study), apprenticeships, first jobs, or volunteering opportunities

Participating in this online Careers Fair will give you the chance to:

- **Heighten the visibility of your brand as an employer**, via a virtual stand presenting your company and current opportunities
- **Identify profiles** that best correspond to your selection criteria, via the pairing tools and numerous search filters provided on the platform
- **Conduct individual and group interviews** via videoconference on the platform or by phone with the students you select
- **Invite up to 8 collaborators** from your company to participate in online meetings (an appointment making tool will be made available to every additional collaborator)
- **Gain access to a CV library** including all students registered for the Forum for a duration of 14 days

A WIDE RANGE OF INDUSTRIES:

- Banking. Finance & insurance
- Audit & consulting
- Media. Press. Communication. Digital. Entertainment
- Luxury. Retail
- Industries. Services. Transport. Real estate. Construction
- Environment
- Startups
- International organisations
