

Dear Employer,

This letter outlines BUNAC's Intern in Britain visa sponsorship scheme. BUNAC are a Government Authorised Exchange (GAE) sponsor, endorsed by DBT (Department for Business and Trade) under the Temporary Work (Government Authorised Exchange) visa route.

BUNAC act as an overarching sponsor to provide visa sponsorship to international full tertiary-level students for those within 24 months of graduating from their student status. The BUNAC scheme provides short-term, supernumerary work experience to students eligible for the scheme.

BUNAC has been licensed by the UKVI as an A-rated sponsor since 2009.

BUNAC assess and approve a training plan provided by the host employer before issuing a Certificate of Sponsorship, allowing the intern to apply for their visa with UKVI. BUNAC sponsorship costs can be paid for by the student if they are self-funding the sponsorship process, or by the host employer if they wish.
